The PediSpa™

by VITA®
BATH

Model 3036PAS

The ultimate pedicure experience

Simple • Effective • Sanitary

The Pedispa is a combination of creativity, practicality and luxury, combined to give you the Ultimate Massage.

Unlike competitive products that merely propose aquatic benefit, the Pedispa will leave you counting the days to your next pedicure... no one will blame you if you are caught sleeping.

Better yet our exclusive air massage system provides a true therapeutic massage while, unlike our competitors' products, our E-Z Clean Full Flush Sanitizing System™ takes all sanitizing concerns away.

4-Way Therapy

Vitaroma While your feet are massaged, your senses will be treated to a whisper of aromatic bliss.

Chromatherapy Our mood setting Spectra-glo LED lighting system will bring tranquility to your day.

Combo Foot Massage Thousands of tiny bubbles will softly soothe and caress your feet like a Swedish masseuse, while our exclusive **SenFlo™** nodules provide a stimulating reflex massage therapy.

Full Body Massage A subtle soft digitally controlled black leatherette chair will comfort you in luxury while a powerful oscillating massage system soothes and pampers your body.
